There are scheduled one day without activities. Use this day for tourist purposes or to visit some of the competitions and championships.

The final program for the WSG2023 is ready and we can already reveal all the activities that will take place in Cervia 2023. There might be some changes before we reach the WSG2023, but we hope this will be the program and that you find it so interesting that you will join us in Cervia 2023

Activities for “Sport for all – senior 55+” – WSG 2023, Cervia, Italy

- **Walking football (DAI)**

Soccer as you know it – but the rules are adapted so everybody can participate. You are not allowed to run under any circumstances and running will earn you a penalty. It's a very funny game, and it will for certain make all participants both breath or laugh.

- **Tabata Training – Conditioning exercise (ASKÖ)**

Tabata training is a high intensity interval training (HIIT) program that generally last about 4-6 minutes. The conditioning program consists of working out at a middle or high level for 20-30 seconds and resting for 10 seconds. Eight of these activity & rest sets during the 4–6-minute workout. This program was developed by a Japanese professor, Dr. Izumi Tabata.

- **Memory game, Chair relay and more funny games**

FGST (France) have published a book with a collection of 55 funny seniors games:

<https://www.editions-sportpopulaire.org/product-page/des-jeux-et-des-activit%C3%A9s-sportives-pour-les-seniors>

The purpose of the games is to affirm that seniors will do sport more easily if it's fun.

During our activity time, we will present two or more games. You must be fast, clever and build a strong teamwork with people from all over the world.

- **Crosstraining for Seniors (ASKÖ)**

We start in the middle(center) and do one exercise, then we go in front and do one or two exercises (by two one with left and one with right side) next we go side to side (left and right), and the last exercises we do it on the backside (also left and right) then we go to the center and the next Block starts. One

exercise is 60 sec and 10 sec breaks. One Block is ~ 8 minutes and every block is different (strength, balance power,..)

- **Basketball for Seniors (DAI)**

The game is customized so elderly people can participate in the activities. You will learn and experience basketball during a lot of training exercises. Everybody can take part even though you have never played basketball before. We will take you through the game step-by-step and after training we will have a small intercultural tournament with mixed teams. It is going to be fun!

- **New Games - cooperative games without competition**

The 'New Games' are a mix of cooperative and noncompetitive games. They can be played by children, adults but also by third age people. The goal of the New Games is the cooperation and the loss of the elements of competition, the main element is working together. Very important are also the participation of all the members of the group, no exclusion, acceptance of all, creativity, and having fun.

CSIT WSG Fair Play Policy

Fair Play is very important to CSIT. It reflects the real spirit of sports and is actually close to the aims of CSIT.

At the WSG 2023 will be CSIT Fair Play – activities, which are implemented more detailed in the CSIT championships regulations of each sport.

Besides the “Green Card” – visible in competitions and games – the Fair Play subject will also be visual and promoted at hotels, sports venues, websites and brochures.

Finally Fair Play will get full attention at the closing ceremony, where teams – male and female athletes – with the highest Fair Play – coefficient will be awarded solemnly by cooperation partner EFPM – European Fair Play Movement

What is Fair Play?

Fair play is a complex concept that comprises and embodies a number of fundamental values that are not only integral to sport, but relevant in everyday life.

By implementing Fair Play – philosophy into CSIT World Sports Games and other championships, CSIT strives to more:

- fair competitions
- respect
- friendship
- team spirit
- equal opportunities
- fair access
- sports without doping and drugs
- respect for written and unwritten rules, such as
 - integrity
 - solidarity
 - tolerance
 - care
 - excellence
 - joy

This philosophy of Fair Play can be learnt and experienced on and off the sports area.

The long version of the CSIT Fair Play Policy can be found at Services in the Download-Center at Sports Regulations on www.csit.sport.
